TERMS & CONDITIONS

This Certificate of Authenticity has been issued by Prestige Valuations to confirm that the described item has been professionally inspected, tested, and verified for authenticity, material integrity, and workmanship.

All assessments are performed in accordance with recognised gemmological, valuation, and industry standards, including those of the National Council of Jewellery Valuers (NCJV) and the Gemmological Association of Australia (GAA).

1. Purpose of Certificate

This certificate verifies the authenticity of the described item only. It is not a valuation and does not assign or imply any retail or replacement value.

2. Basis of Assessment

Authenticity assessments are based on the item's condition and evidence available at the time of inspection. Findings reflect the professional opinion of the examiner and are subject to accepted industry tolerances.

3. Scope & Limitations

Prestige Valuations accepts no responsibility for:

- Any changes, damage, or alterations made to the item after certification.
- Hidden, concealed, or undisclosed features that were not detectable during standard inspection.
- Use of this certificate for financial, resale, or insurance purposes.

4. Professional Standards

All examinations are conducted by qualified specialists holding nationally recognised credentials in gemmology and valuation. Instruments and testing methods comply with CIBJO, NCJV, and GAA guidelines.

5. Copyright & Verification

This document remains the property of Prestige Valuations. Unauthorised reproduction, editing, or use of this certificate is strictly prohibited.

Verification of authenticity can be confirmed through Prestige Valuations' office or official website.
