GENERAL RULES APPLICABLE TO ALL CONTRACTORS

- ✓ Long sleeve shirts and pants or slacks are compulsory for all contractors at Coates Hire. There is no option for the wearing of short sleeve shirts or pants as part of our HSEQ standards at any Coates Hire location. Long sleeves are never to be rolled up at any time.
- ✓ Coates Hire requires all high visibility garments to be yellow. If your work attire does meet this requirement you are required to wear a yellow high visibility vest at all times whilst at a Coates Hire location. Any work attire needs to be at a minimum long sleeves and long pants.
- ✓ Hi Visibility garments must be fastened at the front at all times to avoid entanglement. All shirts must be tucked in for the same reasons.
- ✓ Appropriate cotton protective clothing must be worn when conducting hot works; E.g.: Welding, Angle Grinding and Oxy Cutting.
- ✓ It is the responsibility of the contractor to ensure that at all times they have access to the required PPE whilst visiting a Coates Hire location.
- ✓ Any contractor that is employed in an administrative role at Coates Hire must adhere to the uniform and PPE policies as appropriate whilst on site.
