

## Coates Hire Pre Divestment Inspection Checklist Boom Lift (Electric or Internal Combustion)

Description Knuckle Boom Asset # 1004316 Service Job # \_\_\_\_\_

Note that this internal checklist is merely a physical and not structural inspection of the machine with disclosure of any known issues at the time to assist in making a commercial decision on the viability of that item. At the discretion of Coates Hire, this report may be available to potential buyers. It is the buyer's or bidder's sole responsibility to further assess and repair the item and ensure its compliance with all relevant legislation before being used and to ensure that it is maintained in a fully operational, safe and serviceable condition.
