

Bulk Commercial Gym Equipment – New & Unused – Approx. 2,700 Items – Impulse & Xtreme Elite – Mitcham VIC – Sold as One Lot – Expressions of Interest

Overview

Expressions of Interest are invited for a large consolidated package of new and unused commercial gym equipment, offered as a single lot. There are approximately 2,700 items, counting dumbbells and weight plates in pairs.

Most of the equipment is still boxed, crated or factory-wrapped, and many boxes are labelled with model and box number. A small number of items have been assembled or partially assembled.

The sale is on instruction from the site owner as part of clearing the premises. Because of the volume and how the equipment is stored, it is offered only as one complete lot and will not be split.

This is a strong opportunity for resellers, gym equipment wholesalers, fit-out operators and multi-site gym groups. There is enough here to fit out several facilities, or to sort and resell item by item to gyms, PT studios and home-gym buyers.

Equipment includes

- Commercial strength machines: Impulse plate-loaded and selectorised machines, with boxed weight stacks
- Power racks, Smith machine combos, cross rigs and pull-up racks (Impulse and Xtreme Elite)
- Rig components and attachments: uprights, beams, spotting arms, J-hooks, landmines, dip bars and more
- Commercial benches: flat, incline, decline, utility, glute ham, ab and preacher
- Storage: dumbbell, barbell, plate, kettlebell and ball racks, plus plate trolleys
- Commercial PU and urethane dumbbells, mostly 2.5–50 kg
- Fixed straight and curl barbells, plus specialty bars
- Weight plates: bumper, Olympic PU, technique and fractional
- Kettlebells
- Functional training: weightlifting platforms, prowler sleds, plyo boxes, medicine and wall balls, power bags, weight vests and balance trainers
- Accessories: mats, foam rollers, ropes, resistance bands and steps
- Spare and part-set boxes

The full asset list is available to download with this listing.

Asset list, photos and inspection

The asset list was prepared by Slattery Grays in good faith from a visual inspection of the goods as stored. Many crates and pallets could not be opened.

The list shows which lines were sighted and counted, and which are based on labels or estimates. Quantities, models and condition are approximate, and the list is not guaranteed to be complete or exact. Photos are a representative sample only.

Purchasers should treat the list as a guide and verify it by inspection. Inspection is **STRONGLY RECOMMENDED**. Viewing is available on the below dates, and crates can be opened on request.

The goods are offered as is, where is. To the extent permitted by law, no adjustment to price will be made for items missing from, or differing from, the asset list. Nothing in this listing excludes any rights a purchaser has under the Australian Consumer Law that cannot be excluded.

The goods are offered as uncollected goods under Part 4.2 of the Australian Consumer Law and Fair Trading Act 2012 (Vic). Slattery Grays acts as agent for the seller and may withdraw the goods, or decline to proceed with any sale, at any time before completion if a claim is made in relation to ownership of, or an interest in, the goods.

Inspection: 630 Mitcham Road, Mitcham VIC. Inspection is available only during these times:

- Thursday 5 November, 9:00am – 12:00pm
- Friday 6 November, 12:00pm – 3:00pm

Removal: important

- There is no forklift access.
- Pallet jacks may be used in some areas, but only with floor protection, which the purchaser must supply and lay along part of the route.
- Most items will need to be moved by hand or hand trolley. The route from storage to the kerb is mostly flat walk-out access.
- There is good kerbside truck parking. A medium to large rigid truck or pantech is recommended. Semi-trailer access is not suitable.
- Before removal starts, the purchaser must pay a \$1,000 cash damage bond to the building owner. It will be refunded once removal is complete and the premises are left undamaged. The purchaser remains liable for the cost of any damage above the bond amount.
- All assets must be removed within 14 days of offer acceptance, at times arranged with vendor via Grays.
- The purchaser is responsible for all labour, equipment, floor protection, transport, insurance and safe work practices during removal.

Purchasers should factor removal time, labour and the bond into their offer.

Expressions of Interest

- EOIs open at 9:00am, Wednesday 28 October.
- EOIs close at 5:00pm, Wednesday 11 November.

Each EOI should include:

- Offer price (state whether it includes GST)
- Purchaser contact details
- Any additional terms the offer is subject to

Payment in full is required within 3 working days of offer acceptance. A buyer's premium of 9.9% (inc. GST) applies.

The vendor may accept or decline any offer and is not bound to accept the highest or any offer. All sales are subject to Grays terms and conditions.
