1.0 INSPECTION

1.1 Client Details

| | |
|---------------------|---|
| Client | |
| Phone | |
| Email | |
| Date of inspection | 25/6/2020 in water & 29 June out of water |
| Slipping Date | 29 June |
| Place of inspection | Coomera |

This inspection was conducted at the request of the vessel owner with the intent of gaining an objective understanding of the overall operational and physical condition of the vessel as it relates to an insurance request. Comments and observations relate to observations gained via non invasive and non destructive methods. Observations are made on the days and times indicated and do not convey any predictions or guidance on future condition.

3.0 CHECKLISTS

Please refer to the following list of items that have either passed or failed inspection requiring awareness, replacement, further investigation or repair.

3.1 HULL CONSTRUCTION/CONDITION

| ITEM | PASS | FAIL | N/A | COMMENT |
|----------------|------|------|-----|--|
| Keel | | | X | |
| Keelbolts | | | X | |
| Surface U/W | Y | | | Percussions sounded & visually inspected - appears sound |
| Surface A/W | Y | | | Visually inspected & moisture meter tested - appears sound |
| Deck | Y | | | Visually inspected - Appears sound |
| Cockpit | Y | | | Visually inspected - Appears sound & hardware is generally secure |
| Coach-house | Y | | | Visually inspected - Appears sound |
| Frames | Y | | | Visually inspected - Appears sound |
| Stringers | Y | | | Visually inspected - Appears sound |
| Bulkheads | Y | | | Visually inspected - Appears sound |
| Cabin/Interior | Y | | | Items are in a serviceable condition |
| Marine Toilet | | X | | Not operated- Brown leakage from hoses and toilet bases - see recommendations |
| Seacocks | | X | | See recommendations |
| Skin Fittings | | X | | See recommendations |
| Cockpit Drains | Y | | | Scupper & drains are clear & in good condition |
| Propeller | Y | | | Visually free from damage |

| | | | | |
|-----------------------------------|----|---|-----|--------------------------------------|
| Propellor Shaft | Y | | | Visually free from damage |
| Propeller Skeg | Y | | | Visually free from damage |
| Sternland | | | N/A | |
| Sterndrive | Y* | | | Visually in acceptable condition |
| Transom shields / Gimbal assembly | | X | | See recommendations |
| Rudder Stock/Gland | | X | | See recommendations |
| Steering Linkages | | X | | Heavily corroded and steering seized |
| Aux Steering | | | | Via twin engines |
| Chain Plates | | | N/A | |
| Stemhead Fitting | | | N/A | |

Recommendations

The through hull fittings are UV affected and cracked. Recommend replacement. NB this comment relates to all fittings above waterline. **HAVE BEEN REPLACED.**

Transom stanchion fasteners, and eyelet fasteners are heavily corroded and leaking. Recommend replacement. **HAVE BEEN REPLACED**

The anchor chain galvanising is heavily corroded and the chain is wasting. Recommend replacement. NB recommendation includes replacing shackle, and confirming that the bitter end is attached to the vessel **HAVE BEEN REPLACED**

The hatch seal is parted and the hatch appears to be leaking. Recommend repair. **HAS BEEN REPLACED**

The portholes appear to be leaking. Recommend repair **COMPLETED**

The first part of the document discusses the importance of maintaining accurate records of all transactions and activities.

The second part of the document discusses the importance of maintaining accurate records of all transactions and activities.

The third part of the document discusses the importance of maintaining accurate records of all transactions and activities.

The fourth part of the document discusses the importance of maintaining accurate records of all transactions and activities.

The fifth part of the document discusses the importance of maintaining accurate records of all transactions and activities.

The sixth part of the document discusses the importance of maintaining accurate records of all transactions and activities.

The shore power lead, and inlet does not appear compliant. Recommend further investigation and repair REPLACED

The head appears to be leaking. Recommend further investigation and repair. PHOTO SIGHTED, REPLACED

Various through hull fittings are built in and not accessible to inspect. Recommend confirming condition ALL REPLACED

The gunwhale is loose on the port side towards the transom. Recommend repair. PHOTO SIGHTED, REPLACED

The through hull fittings in the under sole area are corroded and weeping. Recommend replacement. ALL REPLACED

3.5 GENERAL REMARKS & RECOMMENDATIONS

RESTRICTED WATERS...Y...OPEN WATERS.....

Restricted waters on completion of mechanical, electrical repairs.

The navigation light configuration is not compliant with COLREGS. Recommend repair.
REPLACED

The fire extinguishers are corroded and or have expired dates. Recommend replacement
REPLACED

The spotlight was not operable. Recommend repair.REPAIRED

The *Transport Operations (Marine Safety) Act 1994* imposes a general safety obligation on all vessel owners and operators, masters and crew to operate vessels safely at all times. This responsibility includes making sure the ship is:

- safe
- properly equipped and maintained
- operated in a safe manner.

The general safety obligation prohibits a vessel from going to sea if it is not properly built and maintained, equipped, crewed and operated in line with its proposed operating environment

4.0 CONDITIONS OF SURVEY

This report was prepared by Aquamarine services PTY LTD for the Client's exclusive use and remains the property of Aquamarine services PTY LTD. Copying, Distributing or otherwise sharing this information is expressly forbidden to the extent allowable by law unless agreed to in writing by Aquamarine Services PTY LTD. The intended users of this document are the Client considering purchasing the vessel, financiers and insurers considering financing and insurance.

This inspection report is subject to the following:

a/ There is no warranty, express or implied as to the suitability or condition of the Vessel including its equipment or and machinery.

b/ Information pertaining to construction and specifications of second hand vessels has been sourced from visual inspection and documentation supplied in some cases by third parties. Aquamarine services makes no representations as to the accuracy of any information relied upon for the purpose of preparing this report.

c/ Aquamarine services PTY LTD undertakes the inspection of the vessel in a non - destructive manner. Therefore aspects of the boat concealed by hardware, panels, bulkheads, areas inaccessible in a normal manner are not included

d/ Aquamarine Services PTY LTD require that a person suitably experienced in the operation of the vessel and it's systems be present at the time of inspection. In the event this person is not present, operation of certain systems may be unable to be undertaken at the surveyor's discretion and will be excluded from the report.

e/ The inspection of the hull is of a visual nature and via a random percussion test only. There can be defects, blistering or osmosis present which are not detectable via these methods. Aquamarine Services PTY LTD make no representations as to the absence of these defects.

f/ This inspection relates only to areas of the boat that are accessible in a normal manner at the Surveyor's discretion. It expressly excludes areas which are covered by or inaccessible due to placement of travelift slings or other types of boat lift, trailers, yacht stands, cradles and similar.

g/ This inspection of main engines, gensets, machinery and electrical components and systems is of a visual nature only and does not constitute a report. Aquamarine Services recommends that the client engage a suitably qualified person to provide these.

h/ If this inspection relates to a vessel with rigging, then Aquamarine Services PTY LTD recommend that a suitably qualified person be engaged to conduct an independent inspection and report to the client.

i/ The internal surfaces of tanks have not been inspected, nor have any fluids within any of these tanks been analysed as to their condition or suitability for use.

5.0 COMPANY BACKGROUND

Company Background

- AMSA Accredited Surveyor
- MSA Accredited Surveyor
- Trade Qualified Boatbuilder
- Masters Degree in Business
- Advanced Open Water Diver
- PWC Licence
- RMDL Licence
- BIA Marine Card
- MSIC Card

Business and industry experience

- General Manager - Riviera Marine
- Director of Design and Development - Grand Banks Yachts
- Company Director Tige Boats Australia
- Trade Boatbuilder Riviera Marine
- Apprentice boatbuilder Riviera Marine

Practical experience and achievements

- 15,000 + Hours experience boating on board all types of vessels
- 2016 Hamilton Island Race 5 EHC Div 1 - podium finish
- 2016 Port Lincoln Tuna Classic - Overall Champion Boat
- 1998 Russell Island Powerboat Race - podium finish - race record for class
- 1996 Gold Coast Jet Ski club race series - podium finish
- 1994 Apprentice of the year

6.0 TERMS AND CONDITIONS

1. Definitions

"Surveyor/Consultant" is the Surveyor/Consultant trading under these conditions.

"Client" is the party at whose request or on whose behalf the Surveyor/Consultant undertakes surveying services.

"Report" means any report or statement supplied by the Surveyor/Consultant in connection with instructions received from the Client.

"Disbursements" means the cost of all reasonable photography, reproduction of drawings, diagrams, sketches and printing, duplicating and, where applicable, electronic transmission fees, and all reasonable and appropriate expenses including travel, refreshments and hotel accommodation where an overnight stay is necessary.

"Fees" means the fees charged by the Surveyor/Consultant to the Client and including any goods and services tax where applicable and any Disbursements.

2. Scope

The Surveyor/Consultant shall provide its services solely in accordance with these conditions.

3. Work

The Client will set out in writing the services which it requires the Surveyor/Consultant to provide. The Surveyor/Consultant will confirm in writing that it accepts those instructions or alternatively what services it will perform in connection with the Client's instructions. Once the Surveyor/Consultant and the Client have agreed what services are to be performed (the Services) any subsequent changes or additions must be agreed by both parties in writing.

4. Payment Terms

The Client shall pay the Surveyor/Consultant's Fees prior to obtaining the inspection report unless otherwise agreed by the surveyor/consultant. In accordance with these conditions and in any event not later than 7 days following the relevant invoice date, or in such other manner as may have been agreed in writing between the parties. Any delay in payment shall entitle the Surveyor/Consultant to interest at 8% above the Base Lending Rate of Commonwealth Banking Corporation prevailing at the time of default.

5. Obligations and Responsibilities

(a) **Client:** The Client undertakes to ensure that full instructions are given to the Surveyor/Consultant in writing and are provided in sufficient time to enable the required Services to be performed effectively and efficiently and to procure all necessary access for the Surveyor/Consultant to goods, premises, vessels, installations and transport and to ensure that all appropriate safety measures are taken to provide safe and secure working conditions. The Surveyor/Consultant shall not be liable for any loss or damage, resulting from late, incomplete, inadequate, inaccurate or ambiguous instructions.

(b) **Surveyor:** The Surveyor/Consultant shall use reasonable care and skill in the performance of the Services in accordance with sound marine surveying/consulting practice.

(c) **Reporting:** The Surveyor/Consultant shall submit a final written Report to the Client following completion of the agreed Services describing the Surveyor's/Consultant's findings and the condition and/or quality of the object and/or purpose of the assignment, unless otherwise expressly instructed by the Client not to do so.

(d) **Confidentiality:** The Surveyor/Consultant undertakes not to disclose any information provided in confidence by the Client to any third party and will not permit access to such information by any third party unless the Client expressly grants permission save where required to do so by an order of a competent court of law. If information is provided by the Client in confidence the Client undertakes to make it clear in writing what information is provided in confidence.

(e) **Property:** The right of ownership in respect of all original work created by the Surveyor/Consultant remains the property of the Surveyor/Consultant.

(f) **Conflict of Interest/Qualification:** The Surveyor/Consultant shall promptly notify the Client of any matter including conflict of interest or lack of suitable qualifications and experience, which would render it undesirable for the Surveyor/Consultant to continue its involvement with the appointment. The Client shall be responsible for payment of the Surveyor/Consultant's Fees up to the date of notification.

6. Liability

(a) Without prejudice to Clause 7, the Surveyor/Consultant shall be under no liability whatsoever to the Client for any loss, damage, delay or expense of whatsoever nature, whether direct or indirect and howsoever arising UNLESS same is proved to have resulted solely from the negligence, gross negligence or wilful default of the Surveyor/Consultant or any of its employees or agents or sub-contractors.

(b) Where the Australian Consumer Law consumer guarantees do not apply and in the event that the Client proves that the loss, damage, delay or expense was caused by the negligence, gross negligence or wilful default of the Surveyor/Consultant aforesaid then, save for where loss, damage, delay or expense has resulted from the Surveyor's/Consultant's personal act or omission committed with the intent to cause same or recklessly and with knowledge that such loss, damage, delay or expense would probably result, the Surveyor's/Consultant's liability for each incident or series of incidents giving rise to a claim or claims shall never exceed a sum calculated on the basis of ten times the Surveyor's/Consultant's charges or Australian \$100,000, whichever is the lesser.

(c) Notwithstanding anything set out in these conditions, they are subject to the Australian Consumer Law as set out in Schedule 2 of the Competition and Consumer Act 2010 if and to the extent consumer guarantees apply to this Contract and prevent the exclusion, restriction or modification of any such consumer guarantee. The liability of the Surveyor/Consultant, if any, for breach of any consumer guarantee which

applies (other than where the Services are of a kind ordinarily acquired for personal, domestic or household consumption) shall be limited at the option of the Surveyor/Consultant to the supply of the Services again or the payment of having the Services supplied again.

(d) The Surveyor/Consultant shall not be liable for loss of or damage to equipment and other items placed at its disposal by or on behalf of the Client however such loss or damage occurs.

7. Indemnity

Except to the extent and solely for the amount therein set out that the Surveyor/Consultant would be liable under Clause 6, the Client hereby undertakes to keep the Surveyor/Consultant and its employees, agents and sub-contractors indemnified and to hold them harmless against all actions, proceedings, claims, demands or liabilities whatsoever or howsoever arising which may be brought against them or incurred or suffered by them, and against and in respect of all costs, loss, damages and expenses (including legal costs and expenses on a full indemnity basis) which the Surveyor/Consultant may suffer or incur (either directly or indirectly) in the course of providing the Services under these Conditions.

8. Force Majeure

Neither the Surveyor/Consultant nor the Client shall, except as otherwise provided in these conditions, be responsible for any loss, damage, delay or failure in performance hereunder arising or resulting from act of God, act of war, seizure under legal process, quarantine restrictions, strikes, boycotts, lockouts, riots, civil commotions and arrest or restraint of prices, rulers or people.

9. Insurance

The Surveyor/Consultant shall effect and maintain, at no cost to the Client, Professional Liability Insurance for such loss and damage for which the Surveyor/Consultant may be held liable to the Client under these terms and conditions.

10. Surveyor's/Consultant's Right to Sub-contract

The Surveyor/Consultant shall have the right to sub-contract any of the services provided under these conditions, subject to the Client's right to object on reasonable grounds. In the event of such a sub-contract the Surveyor/Consultant shall remain fully liable for the due performance of its obligations under these conditions.

11. Time Bar

Any claims against the Surveyor/Consultant by the Client shall be deemed to be waived and absolutely time barred upon the expiry of 10 months from the submission date of the Report to the Client.

12. Jurisdiction and Law

These conditions shall be governed by and construed in accordance with the laws of Australia and any dispute shall be subject to the exclusive jurisdiction of the Queensland Courts.
