NOTE: This report is based on an external walk around and engine start-up only – the vehicles are not driven. There may be other damage, mechanical issues or body blemishes that have not been sighted or contained in this report, therefore a full inspection is highly recommended. This report is intended as a guide only.

Please note: When buying a car at Auction you will not have the same statutory warranty, cooling-off period or Certificate of Roadworthiness you would receive when buying from a licensed motor car trader.
